Jordan Mitchem

NJHA Board Member

Raising and showing Hereford cattle as part of my family's Hereford operation, Mitchem's Farm 3C, has given me countless opportunities to develop as a leader, build lifelong relationships, and grow within the cattle industry. I am honored to represent North Carolina as a member of the National Junior Hereford Association Board of Directors. During my term, I look forward to serving junior members across the country, strengthening connections between state and national associations, and giving back to the organization and breed that have had such a meaningful impact on my life. I am proud to represent my home state and the Hereford breed while remaining fueled by passion and driven by purpose.
